Copy of letter No.137-W dated 5th March 1937 from the Superintending Engineer, Bellary Circle, to the Chief Engineer, P.W.D. (G.B. & R

Sub:- Buildings - Wellesley Sanatorium - Senior Sub Assistant Surgeon's quarters - Remission of rent.

The Executive Engineer, Bellary Division, reported that the Senior Sub Assistant Surgeon's quarters was under repairs from 23-7-36 F.N. to 5-10-36 A.N. as the existing pan and flat tiled roof had to be dismantled and the building reroofed with Mangalore tiles on flat tiles. During this period of repairs the building, it was stated, was rendered uninhabitable and it has been re-occupied from the forenoon of 6-10-1936. The question of the period of repairs to the building was under examination along with the question of the period of repairs to the Junior Sub Assistant Surgeon's quarters. I consider that a minimum period of 2 months similar to that recommended in this office No.123-W dated 27-2-37 is required for carrying out the repairs to the quarters and recommend that the time taken in excess of this period may be overlooked. I request therefore that sanction of Government may be obtained exempting the occupant from payment of rent for the period 23-7-36 to 5-10-36.
